

## Bringing light to life

Velux products make good use of natural sunlight to brighten up your home and they also promote the feeling of spaciousness and openness.

Today's Homes and Lifestyle's new display home in Forde, the '[Sereno Architectural](#)', is opening soon. We have incorporated a number of **VELUX** products in this leading edge and innovative designed home such as:

- **Electric Openable Skylights** fitted with **Electric Blockout Blinds**
- **Fixed Skylights**; and a
- **Sun Tunnel**

Stay posted for the official opening of the display home so you can come and see these fantastic products for yourself.

Go to [www.todayshomes.com.au](http://www.todayshomes.com.au) and click on the [Leading Edge Products](#) link for a full colour VELUX brochure.

The **VELUX product** range includes:

- **Electric Openable** Skylights
- **Manual Openable** Skylights
- **Fixed** Skylights

Electric, Manual or Fixed Skylights can be used in rooms such as a living area, kitchen, bathroom, or bedroom.

### Forde Display Home

Today's Homes and Lifestyle is currently building a new display home, the '[Sereno - Architectural](#)', in one of Canberra's newest subdivisions, **Forde**. The Sereno is located at **15 Francis Forde Boulevard, Forde**, and its progress can be tracked on our website. Visit our [Houses Under Construction](#) page for the latest shots of our work in progress. The Sereno - Architectural is due to open for official public viewing on the **29th September 2007**. We will keep you posted.

- **Sun Tunnels**

The VELUX Sun Tunnel brings natural light into even the darkest and most isolated spaces through a specially designed flexible tunnel from the roof to the ceiling.

- **Manual Openable Roof Windows**

A manual openable roof window will give you as much light and ventilation as a skylight, but it is specifically designed for within reach applications eg. attics.

### **Energy Efficient**

VELUX products are double glazed and have received either 4.5 or 5 stars on the Window Energy Rating Scheme (WERS) for 'Skylights - Energy Rating Scheme'. Maximum is 5 stars.

WERS is a scientifically supported energy rating scheme developed to aid the design of energy efficient housing.  
[www.wers.net](http://www.wers.net)

### **Window Furnishings**

Skylights can be fitted with:

- **Electric Blockout Blinds** which uses an integrated control system when installed on an electric openable skylight. Can also be installed on Manual Openable and Fixed Skylights. Blockout Blinds provide complete blockout and protection against light and heat.
- **Venetian Blinds** provides added light control, privacy and protection against the heat.
- **Pleated Blinds** provides light control by dimming the incoming light.
