

## Lifestyle Designs at Crace

Today's Homes and Lifestyle is looking forward to helping many Canberrans realise their dreams for a special home in the new suburb of Crace and we are proud to be members of the Crace Builders' Panel.

We are currently constructing two display homes in the Crace Display Village, which is planned to open in October. But you don't have to wait that long. We have 20+ exciting lifestyle designs developed especially for Crace.

To make an appointment to preview these designs in more detail in advance of their general release, contact us now.

Because of our status as part of the Crace panel, some designs are available for selection immediately, which will also allow you to begin the sales process for your block of land.

Contact Peter McCoullough on M: 0413 837 966 to arrange an appointment to discuss your requirements and to find out how Crace changes everything.
